

ICKM2017

BIG DATA IN THE BIG D

October 25-27, Dallas, Texas

<http://www.ickm.net/>

CALL FOR PAPERS & PRESENTATIONS

The 13th International Conference on Knowledge Management (ICKM) provides academics, researchers, developers and practitioners from all over the world a forum for discussion and exchange of ideas concerning theoretical and practical aspects of information and Knowledge Management. Since the first ICKM conference held in Singapore in 2004, subsequent conferences have been held in Charlotte, North Carolina 2006; Greenwich, London 2006; Vienna, Austria 2007; Columbus, Ohio 2008; Hong Kong 2009; Pittsburgh, Pennsylvania 2010; Johannesburg, South Africa 2012; Montreal, Canada 2013; Antalya, Turkey 2014; Osaka, Japan 2015; Vienna, Austria in 2016. ICKM 2017 will be held in Dallas, Texas and hosted by the Knowledge and Information Professional Association (<http://kipanet.org/>). The main theme of the conference this year is "**Big Data and Data Analytics**". The conference welcome submission of high-quality research papers, case studies, posters and practitioners oral PowerPoint presentations in the areas that include but are not limited to the following:

Track on Big Data & Data Science

- Data Science and Data Analytics
- Big Data Analytics and Decision Making
- Big Data and Data Warehousing
- Big Data in Healthcare
- Privacy & Security Issues of Managing Big Data
- Big Data and Data Management Challenges

Track on Knowledge Discovery & Representation

- Data Mining, Text and Web Mining
- Data Analytics and Visualization
- Computational Linguistics
- Meta Data and Organization of Networked Resources
- Learning Resource Metadata

Track on Knowledge Management in Organizations

KM Practices (Best Practices, communities of practice, etc.)
Social Networks and Knowledge Sharing
Competitive and Business Intelligence
Intellectual Capital, ROI
Project Management

Track on Knowledge Management and Information Society

Knowledge Society & Knowledge Economy
Smart Cities and Innovation
Indigenous Knowledge Management
Social & Ethical Issues

Track on Big Data in Libraries

Big Data and Digital Data Curation
Knowledge and Data Repositories
Digital Curation & Data Management
Document & Records Management
Archival Management & Web Archiving

Track on Information Science & Information Organization

Information Architecture, Design and Analysis
Information Retrieval, Usability and HCI
Taxonomies and Ontology
Information Representation and Visualization
Information Privacy and Security
Information Policy and Ethics

Track on Knowledge Management for Scholarly Communication intellectual property

Copyright and data management
Open access and document and data archiving/storage
Intellectual property and data and information storage
Trademark/privacy and data/information/scholarship management

Submission Deadlines

Full papers and Posters Submission: **June 1, 2017**

Practitioners and Work in Progress Presentations (Abstracts Submission): **July 1, 2017**

Notification of Acceptance: **July 15, 2017**

Final Camera-Ready for Full Papers Submission: **August 15, 2017**
